## A WEEK OF ACTION

The GREATER CINCINNATI APPRENTICESHIP COUNCIL and AFFILIATED APPRENTICESHIP PROGRAMS, in partnership with the U.S. Department of Labor and the Ohio State Apprenticeship Council, today announced that they will be hosting Apprenticeship Open House events at selected Cincinnati area training centers as part of the second annual National Apprenticeship Week.

## ABOUT NATIONAL APPRENTICESHIP WEEK

National Apprenticeship Week is an opportunity for the Apprenticeship community to tell the story of apprenticeships and is an invitation to business and industry, education, career seekers, community based organizations, students, and workers to learn about the real world advantages of developing careers through adoption of the apprenticeship model.

Apprenticeship is for those who aspire to be great, lead in innovation and creativity, strive to innovate in business and industry, and recognize the value of combining paid on the job learning coupled with a substantial educational component to build generational greatness in careers and commerce.

**Presentations and information sessions will begin at 5pm, followed by tours of the training facilities .  
We encourage anyone that plans to attend please go to [www.EarnAndLearn.com](http://www.EarnAndLearn.com) and RSVP.**
